**Order of Payment:**

Unless otherwise ordered by the court, all claims and other disbursements made by the Chapter 13 Trustee prior to entry of an order confirming the Chapter 13 Plan will be paid in the order set out above. All disbursements which are in a specified monthly amount are referred to as "per mo". At the time of any disbursement, if there are insufficient funds on hand to pay any per mo payment in full, claimant(s) with a higher level of payment shall be paid any unpaid balance owed on the per mo payment plus the current per mo payment owed to that same claimant, in full, before any disbursement to a claimant with a lower level of payment. Other than the Current Post-Petition Mortgage Payments, the principal balance owing upon confirmation of the Plan on the allowed secured claim shall be reduced by the total of adequate protection payments, less any interest (if applicable), paid to the creditor by the Trustee.
